ALMA MARIE SCHWARZ was interviewed on 3/16/73. It should be noted that Miss SCHWARZ was about 80 years of age, had poor eye sight, was very nervous, and stated that she had a heart condition. Because of this, no penetrating interview was conducted and no handwriting samples were taken.

In view of Miss SCHWARZ's age, appearance and apparent health condition, she was politely admonished regarding sending threatening type communications in the U.S. Mail. She was tactfully advised of the local and Federal jurisdictions regarding these types of communications. This interview lasted approximately 15 to 20 minutes.

[ ] Intelligence Division Metropolitan

New York, at New York, New York

Following a review of files of the New York Office,  
FBI, ALMA MARIE SCHWARZ was developed as a suspect in this matter.

On April 2, 1975, the facts of this case, plus back-  
ground information concerning, and previously obtained from,  
Miss SCHWARZ, were presented to Assistant United States Attorney  
(AUSA) EDWARD J. KURIANSKY, Southern District of New York (SDNY),  
by SA [ ] as follows:

ALMA MARIE SCHWARZ, 195 Claremont Avenue, New York,  
New York, was interviewed on March 16, 1973, by an SA of the  
FBI and a Detective from the New York City Police Department  
(NYCPD). At that time, she admitted writing several threatening  
letters which had been received by various public officials and  
which had been the subject of FBI investigations. She was  
developed as a suspect in this case as a result of a file review  
and handwriting comparison within the New York Office of the FBI.

It was pointed out by SA [ ] that in 1973 Miss  
SCHWARZ was about 80 years of age, had poor eye sight, was very  
nervous and had a heart condition.

It was also noted that various AUSAs had previously  
declined to prosecute in cases involving Miss SCHWARZ's letters.

AUSA KURIANSKY advised that he desired Miss SCHWARZ  
be reinterviewed in an effort to determine if she did in fact  
send the postcard to Judge RICHBY. He advised that in the event  
that fact is determined, she should be properly and appropriately

NY 9-6741

reminded of the Federal jurisdiction in this type of case.

As a result of this opinion, by communication dated April 2, 1975, the New York Office of the FBI requested the FBI Laboratory to conduct an appropriate comparison of the handwriting in this case with the known handwriting of Miss SCHWARZ and with other specimens submitted to the FBI Laboratory.

For the information of the Bureau and WFO, a thorough review of numerous NYO files has been conducted re this matter and, in particular, the possibility that ALMA MARIE SCHWARZ is responsible for the postcard to Judge RICHEY in this case. A comparison of the handwriting on the postcard with that on copies of numerous specimens in NYO files has resulted in a logical assumption that SCHWARZ is most likely the author of the postcard.

Following several efforts to obtain an opinion in this case from an AUSA, SDNY, on 4/2/75, AUSA EDWARD J. KURIANSKY (791-0036), in the absence of AUSA JOHN H. GROSS, presently involved in a trial, advised as follows:

Following a presentation of the facts of this case plus the known background information re Miss SCHWARZ as contained in the above case files, AUSA KURIANSKY advised that he desired to have her interviewed in an effort to determine if she did, in fact, write the postcard in question in this case. He suggested that if she was responsible, she should again be admonished during interview. He indicated that he doubted if prosecution of her would eventually be pursued.

Information copies of this communication are being forwarded to New Haven and Washington Field in view of past and present investigations within those offices.

DETAILS:

On April 30, 1975 and May 1, 1975, Assistant United States Attorney (AUSA) FRANKLIN J. VELIE, Southern District of New York (SDNY), was contacted and advised that the postcard sent to United States District Judge (USDJ) CHARLES R. RICHEY, Washington, D.C. was apparently written by ALMA MARIE SCHWARZ, 195 Claremont Avenue, New York (NY), NY. He was advised that a neighbor of SCHWARZ's recognized the writing style on the postcard sent to the Judge and indicated that in letters written by SCHWARZ, she usually makes reference to the fact that she was a Lieutenant Colonel in the Army in World War II.

NY 9-6741

It was noted that this fact about her being a Lieutenant Colonel is written in the postcard to Judge RICHEY. AUSA VELIE was also advised of subject's description and the fact that she is 81 years old, apparently senile, and confined to her room. AUSA VELIE stated that after considering the above information, he would decline prosecution in this matter, due to the fact that Mrs. SCHWARZ poses no physical threat to Judge RICHEY.
